

Steve's Rubbish Removals

What We Can and Can Not Take

We have listed below a list of items that we can and cannot take. We will ask all our clients to check their waste and ensure that none of the items on the "We can not take" list are not offered to our staff for collection.

A list of items we can take:

- Bathroom items (Basins, toilets, etc)
- Large Kitchen appliances
- Concrete (flooring, slabs etc)
- Flooring (carpets, floor boards, etc)
- Construction materials (debris, tiles, rubble etc)
- Furniture (sofas, tables, chairs, any old furniture)
- Garden tools & rubbish (tools, garden furniture, sheds, fencing etc)
- Garden waste (tree & hedge clippings etc)
- Any old junk (boxes, old toys, bric-a-brac etc)
- Household refuse (Boilers, skirting boards, loft waste, glass, plumbing etc)
- Kitchen fittings (Kitchen sinks, tiles etc)
- Metal/steel
- Heaters and radiators
- Building waste (Windows, floorboards, walls, frames, bricks etc)
- Roofing materials (Tiles, lead, etc)
- Papers (Documents, paperwork, files etc)
- Soil, earth and dirt
- Electrical items (computers, tv's, stereo's, etc)
- Wood (fence, firewood, old timber etc)

List of items we can't take:

- Asbestos
- Medical or biological waste
- Oils, petrol cans
- Oil drums & tanks (Unless cleaned thoroughly)
- Toxic waste
- Plaster (plaster board etc)

Why can't you take hazardous materials?

We are not licensed to carry any hazardous materials. Therefore we are not able to dispose of them for our customers. If you need to remove hazardous waste contact Worcester city council and they will tell you how you can dispose it.
